The Mid-Atlantic Chapter will be flying into Frederick Municipal Airport (KFDK), Frederick, Maryland this month. Please try to arrive between 11 AM and Noon and find a place to park on the ramp near Frederick Aviation, we'll meet in their pilot's lounge and see if we can either borrow their courtesy car (two hour minimum) or just take a taxi into town \$8 each way. Our plan is to visit the local Civil War Museum after finding a local restaurant that will put up with us and not throw us out.

Check out the photos from last months fly-in to Millville, New Jersey (below). We had a Pretty good lunch at Verna's Flight Line Restaurant followed by a tour of the Millville Army Air Corps Museum. They always have interesting displays and guest speakers. Try to stop in if you're in Millville. They have a rack of older, but very interesting aviation history books from the museum library for sale (\$5 each!).

Don't forget to call the GO/NO GO Status Line 856-765-7223 after 7 AM and check NOTAMS on the morning of all scheduled activities for details and any changes.

See you there!
