The Mid-Atlantic Chapter will be flying into Millville Municipal Airport (KMIV), Millville, New Jersey this month. Please try to arrive by 11 AM. Find a place to park on the ramp near Big Sky Aviation, we'll meet in their pilot's lounge and then walk over to Verna's when everyone has arrived. It's a bit too cold to be hanging around outside waiting for everyone to arrive for lunch! Since the days are getting shorter we'd like to start earlier. We'll have lunch and conduct our business meeting at Verna's. Following lunch our "plan" is to take a tour of the Boeing Helicopters CH-47 Chinook modification center located across the ramp from the restaurant. Arrangements are still in the works. We will also take a tour of the Millville Army Air Field Museum.

Don't forget to call the GO/NO GO Status Line 856-765-7223 after 7 AM and check NOTAMS on the morning of all scheduled activities for details and any changes.

We're expecting a severe winter storm this week, so I hope everyone can get out!

See you there!

Rich Capece  
Chapter President
