

The Short Wing Piper Club – Mid Atlantic Chapter

Chapter Activities for March 2011

Short Wing Piper Club Mid-Atlantic Chapter Fly-in

March 19, 2011

Location: Millville Municipal Airport (KMIV), Millville, New Jersey

Parking: Ramp or As directed

Meeting Location: Verna's Flight Line Restaurant (on the field)

Arrival Time: 11:00 AM ***** Rain Date is Sunday March 20th *****

Call for Go/No Go and Changes after 7AM on the morning of a scheduled activity 856-765-7223

The Mid-Atlantic Chapter will be flying into Millville Municipal Airport (KMIV), Millville, New Jersey this month. This is a rescheduled activity for January, just in case it sounds Familiar. Please try to arrive by 11 AM. Find a place to park on the ramp near Big Sky Aviation, we'll meet in their pilot's lounge and then walk over to Verna's when everyone has arrived. It's still a bit chilly to be hanging around outside waiting for everyone to arrive for lunch! We'll have lunch and conduct our business meeting at Verna's. Following lunch our "plan" is to take a tour of the Boeing Helicopters CH-47 Chinook modification center located across the ramp from the restaurant. Arrangements are still in the works. We will also take a tour of the Millville Army Air Field Museum.

Don't forget to call the GO/NO GO Status Line 856-765-7223 after 7 AM and check NOTAMS on the morning of all scheduled activities for details and any changes.

See you there!

Rich Capece
Chapter President
