Breakfast in Cambridge and lunch at Horn Point!!! That's a Roger! We'll be doing a rerun of past years when we've made a day of it. We'll meet for breakfast at Cambridge Airport, MD at "Kaye's at the Airport Restaurant" on the ramp between 9:30 - 10 AM. We'll conduct our business meeting over breakfast and then take the short hop over to Horn Point for the Chesapeake Antique Aero Squadron's annual fly-in.

Don Byrne sent me a "heads up" on this years operating plan at Horn Point as follows; the CTAF freq. is 122.90 and they will be using runway 27 as primary and Runway 9 if the winds dictate. As usual all other runways will be used for parking. The registration fee is \$10 per aircraft. We'll go over the details at breakfast.

There is no rain date for Horn Point.

If they cancel Horn Point for field conditions on Saturday and the weather is still VFR we will fly in to Cambridge for lunch arriving at 11AM. If we rain out on Saturday, our Rain Date will be Cambridge on Sunday the 22<sup>nd</sup> arrival time 11 AM.

Don't forget to call the GO/NO GO Status Line 856-765-7223 after 7 AM and check NOTAMS on the morning of all scheduled activities for details and any changes.

See you there!

Chapter President

**Last month our Fly-In to Frederick, Maryland was cancelled due to weather conditions, so I thought I'd leave up our photos from March's Fly-In to Millville, New Jersey for your "enjoyment".**
