Sorry for the late activities notice, but it's been a rough month for me! We will be flying into Keller Brothers Airport this month and will conduct our lunch and meeting at Caruso's Pizzeria in Scheafferstown, Pa. If you are flying in we will have transportation at the airport. If you are driving either come to the airport or set your GPS for the Meeting Location address. We will plan on being at Caruso's at Noon. This would have normally been our traditional EAA/BBQ fly-in to Keller's, but due to some scheduling issues with the organizers this year it was decided that we would still go to Keller's as planned, but to go into town for lunch. I have set a Rain Date as usual, but we will still have this activity as a drive-in if the weather does not co-operate with us. In any case, please don't forget to call the GO/NO GO Status Line 856-765-7223 after 7AM for any last minute changes.

See you there!
